

IVITM METALLICS

INDUSTRIAL TACKS & NAILS Brush Assembly Pins

IVI Metallics is the world leader in brush assembly pin manufacture.

IVI Metallics pins are supplied threaded or smooth, from 6mm to 35mm in a range of materials to suit any size of brush.

IVITM METALLICS

Brush Assembly Pins

IVI Metallics is the world's largest manufacturer of paintbrush assembly pins. The pins are made in a range of sizes and materials and are wax coated as standard to enhance machine feeding properties. This avoids unnecessary down-time and machine damage so increasing output and efficiency.
